Lincoln Towing Service

Thank you for considering **Lincoln Towing Service** for your towing needs. The following information is provided to assist you with our services.

Call Lots:

As per our service agreement, if your lot is on an *“on call”* basis – we will provide service as follows.

1. An authorized individual (as listed on service agreement) must call our office.
2. **Lincoln Towing** will dispatch a truck to your location and call when the truck arrives.
3. The authorized individual who called must meet our driver in the lot, point out the vehicle to be towed and sign an authorization form.
4. **Lincoln Towing** will then tow the vehicle away.

Lincoln Towing will tow a car away **only** if an authorized individual signs for the vehicle. **Lincoln Towing** will not under any circumstance release the names of authorized callers to any individual who calls for or claims a towed vehicle. Property owners or agents should notify **Lincoln Towing** as soon as possible if there are changes to the list of authorized callers.

Patrol or Check Lots:

As per our service agreement, if your agreement is on a patrol or check basis we will provide service as follows:

Lincoln Towing Service will issue parking permits to the property owner or management agent. These permits must be placed in the designated area on the vehicle. Any vehicles with out permits will be towed away.

Lincoln Towing Service will **NOT** be responsible for vehicles parked in you lot without a permit. It is the responsibility of the property owner or agent to inform tenants that a permit must be on the vehicle. If a tenant allows a friend, relative or anyone else to use his parking space, a parking permit must still be on the vehicle. If for some reason a vehicle will be parked in the lot without a permit, the property owner or agent must inform **Lincoln Towing** not to tow the vehicle. **Lincoln Towing** does not accept business cards or notes on the vehicle in place of a parking permit.

If your lot is to be used for a special event, please notify **Lincoln Towing** to temporarily place your lot on hold for that time period.

Questions or comments concerning our services should be directed to our office.
